LinkedIn — GitHub

EDUCATION

MIT World Peace University

Master of Computer Applications

2025–Present

Institute of Engineering & Management (IEM), Kolkata

Bachelor of Computer Applications

2021–2024

CGPA: 8.54

St. Joseph School

Class X (CBSE)

2019

73%

TECHNICAL SKILLS

Languages: Java, Python, SQL, JavaScript

Full Stack: HTML, CSS, React.js, JSP, Servlets, REST APIs

ML/AI: Regression Models, NLP, GenAI, Scikit-learn, Pandas

Databases: MySQL

Tools: Git, GitHub, VS Code, Maven, Postman

Cloud: Streamlit Cloud, Render

OS: Linux, Windows

EXPERIENCE

OctaNet Services – Web Development Intern

- Developed responsive frontend interfaces using HTML, CSS, and JavaScript.
- Improved UI performance and enhanced user experience.

Oasis Infobyte – Java Development Intern

- Developed Java-based applications using OOP concepts, exception handling, and backend logic implementation.

PROJECTS

EventFlow – Role-Based Event Management System

GitHub

- Developed a full-stack event management system using Java, JSP, Servlets, and MySQL.
- Implemented authentication, session management, and AI-based event scoring.
- Improved workflow efficiency through automated volunteer allocation and event tracking.

Used Car Price Prediction (Machine Learning)

GitHub

- Developed an ML model using ExtraTreesRegressor for car price prediction.
- Applied preprocessing, feature engineering, and feature selection techniques.
- Evaluated model accuracy and optimized prediction performance using regression methods.

MindfulAI – Mental Wellness Assistant

GitHub — Live

- Built an AI-powered assistant using Python and Streamlit with LLM integration.
- Designed an interactive UI and deployed the application for real-time usage.
- Implemented intelligent conversational support for personalized mental wellness guidance.

RESEARCH PAPER

Early Detection of Depression Using Multimodal Behavioral Data

GitHub

- Proposed a multimodal ML framework using LSTM/GRU models and Explainable AI.

CERTIFICATIONS

- PCEP Python Certification
- Generative AI and Power BI Certifications
- Google Cloud Big Data & ML Fundamentals
- MERN Stack Industrial Training – Euphoria genX

ACHIEVEMENTS

- Solved 100+ DSA and coding problems across coding platforms.
- Selected for Wipro Integrated Learning Program (WILP).
- Built and deployed multiple full-stack and AI-powered applications.
